A-Team - A-Team - Volunteer

The A-Team Coordinator must be ready to lead a team of volunteers ready to jump in wherever they're needed. This is a constant on-the-go position. Volunteers in A-Team must be flexible and willing to move to various venues throughout the festival.

Typical skills required to perform successfully in this role include the ability to perform under pressure with competing priorities; to be a quick-thinker; to be clear and concise when communicating; to have a penchant for taking appropriate action; a very strong commitment to see any and all issues to successful resolution.
