San Diego LGBT Pride

3620 30th Street, San Diego, CA 92104

San Diego Pride is a nonprofit 501(c)(3) education, advocacy and community giving organization.

Our Mission. Fostering pride, equality and respect for all lesbian, gay, bisexual and transgender communities, locally and globally.

Our Vision. A world free of prejudice and bias.

Our Values. Diversity, respect, honesty, integrity and accountability.

Our History. The modern LGBT Pride movement grew out of the aftermath of the 1969 Stonewall Riots in New York City. The following year, the Gay Liberation Front held the first Gay-In at Presidio Park, a precursor to today's festivals. The first march took place a few years later in 1974, beginning a tradition that continues today. In the beginning, "Gay Pride" as it was known then, was planned by ad-hoc committees, and later by a few different organizations. The turning point came in 1989 when Christine Kehoe, Scott Fulkerson, and other community members founded the current organization with the intention of having a Pride that was self-sufficient, and could raise money and give back to the community. Initially a sponsored program of The Center, Pride incorporated on its own in 1994 as a separate 501(c)(3) non-profit. San Diego Pride exists to produce civic, cultural and educational events that support and encourage a sense of pride within San Diego's lesbian, gay, bisexual and transgender community. San Diego Pride's funding comes mainly from Pride Festival fees, beverage and admission charges, corporate sponsorships and parade entry fees. The organization's giving strategy includes grant funding, direct community support, support of other prides and community partnerships. San Diego Pride has given more than \$1 million to a wide variety of LGBT organizations.

Policies and Procedures

It is San Diego Pride's goal and priority to create a working environment in which everyone is safe and has great time. In order to ensure the safety of our staff, volunteers and event attendees, we kindly ask that all volunteers adhere to the policies San Diego Pride has in place. Failure to comply with these policies may result in dismissal from volunteer activities with San Diego Pride in the future.

Attendance Policy

Attendance and punctuality are important factors for your volunteer experience with San Diego Pride. We all work as a team and this requires each person be in the right place at the right time.

If you are going to be late or absent for a shift, please notify your immediate supervisor as far in advance as is feasible under the circumstances, preferably no later than within 24 hours of the start of your shift.

Code of Conduct

To ensure the safety of all staff, board members, volunteers and participants of San Diego Pride events, San Diego Pride has established the following code of conduct:

Language

Keep in mind that San Diego Pride is a family event. Please use appropriate language when representing San Diego Pride.

Alcohol and other drugs

San Diego Pride is committed to providing an environment that supports individual freedom while promoting individual responsibility, health, safety and community welfare. Volunteers may not report to

work or be at work while under the influence of alcohol or illegal drugs. Violators of this policy will be dismissed from their role.

San Diego Pride strictly prohibits the possession, use, or distribution of illicit drugs on site premises or as part of any sponsored activity. San Diego Pride volunteers and guests who violate this policy will face expulsion from the event and / or dismissal. Where appropriate or necessary, San Diego Pride will cooperate fully with law enforcement agencies.

Smoking

Balboa Park is a smoke free park and as such, no smoking is allowed in the Park or Festival. Smoking is allowed along 6th Avenue and other designated smoking areas.

Sexual harassment

Sexual harassment is unlawful and unacceptable conduct and will not be tolerated. Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature constitutes sexual harassment when they create an intimidating, hostile or offensive environment. If an individual has violated this policy, they will be subject to disciplinary action up to and including expulsion from the event and / or dismissal.

Dress code

It is the responsibility of your department coordinator to ensure proper dress code. Proper dress consists of a San Diego Pride T-shirt and shorts or pants. Shoes with a closed toe are required. For safety reasons, sandals cannot be worn. Volunteers must wear their T-shirt only when actively volunteering for a shift and representing Pride in an official capacity. If stay to 'play' after your shift Pride Volunteer T-shirts should be removed or turned inside out at the end of your shift. Shirts cannot be altered, torn, or written on while volunteering.

Hygiene

Please take into consideration that you may be working in close quarters with other individuals. We may also be working in warm weather for long periods. To this end, please promote good personal physical hygiene as a courtesy for your team.

Scent Safer Space

San Diego Pride's goal is to be accessible to all people. Pride recognizes that staff, volunteers and guests may be sensitive, allergic or have chemical reactions to various fragrant products and may suffer potentially serious health consequences. In order to accommodate staff, volunteers and guests who are medically sensitive to the chemicals in scented products, Pride requests that you refrain from wearing scented products, including but not limited to colognes, after-shave lotions, perfumes, deodorants, body / face lotions, hair sprays or similar products when attending and volunteering at San Diego Pride events.

Safety

Safety and health must be a part of every San Diego Pride operation. Without question, it is every person's responsibility at all levels. Each volunteer is expected to exercise care and good judgment in observing safety rules and preventing accidents. Safety and health will only be achieved through teamwork, so everyone must join together in taking every reasonable measure to assure safe working conditions. If your position requires physical activity such as bending, lifting or reaching, always use proper physical techniques to avoid injuries.

Accommodations: Volunteers needing accessibility or other accommodations should directly inform their department manager so appropriate arrangements to be made.

Alcohol: Volunteers are strictly prohibited from consuming alcohol before or during scheduled shifts, and from serving alcohol at any San Diego Pride sponsored event. Volunteers are expected to comply with all safety requirements whether established by San Diego Pride or by federal, state or local law. Any questions should be referred to the Volunteer Manager.

Emergencies

In case of emergency, immediately notify your Supervisor or Manager. In the event of a **MEDICAL** emergency, please contact the Medical Department on radio channel 9. **DO NOT** call 911. San Diego Pride's Medical Team is incorporated with the emergency dispatch system. When you radio an emergency please be exact with your location and as specific as possible (e.g. corner of 6th and Juniper to the right of the Information Booth). Remember to remain calm. If a supervisor / manager is not accessible, call 911 immediately and notify your manager as soon as possible. This includes, but is not limited to, situations in which you directly experience or witness threat or harm, or if someone reports a situation to you. In all cases of emergency, the volunteer who experiences or witnesses the incident must complete an **Incident Report** (located at the back of this handbook) within 24 hours.

Although there are rarely any major issues that occur at the San Diego Pride events, San Diego Pride has developed the following Emergency Procedures to ensure the safety and well-being of the participants:

Three Golden Rules

The Golden Rules are used to give guidance to volunteers to help provide a safe environment for all participants.

1. We are not law enforcement. Pride has a strict hands-off policy. We will not apprehend or engage any person for any reason at any time. Should you encounter a situation that requires intervention, contact your superior in the chain of command so they may respond accordingly!
2. If you find yourself in danger, evacuate to a safe area and call for assistance. Stay calm, do not panic and be prepared to give your exact location.
3. If you hear a radio emergency or make a radio call, stay off the air! Necessary supervisory personnel will contact you to provide assistance as needed.

Additional Emergency Information

- **Medical** - Call the Medical Department on the radio - they will evaluate the situation immediately. Maintain crowd control at all times. If necessary and possible, solicit help with crowd control from some of the spectators. Your excitement may incite fear and panic - keep calm and take control of the situation.
- **Fire** - Clear the area and notify dispatch immediately. Dispatch will call the fire department. In accordance with the situation, try to clear the area. Do not move vehicles, equipment, etc. unless it is necessary for the fire department to reach the scene. When clearing the area, clear people first.
- **Emergency Help** - Fire Trucks, Ambulance and Police Officers are standing by. Pride also has a highly trained team of Medical volunteers and they will take control of any Medical Emergency until public safety personnel arrive. When help arrives, assist with crowd control.
- **Explosive Device/Unknown Package** - If you see anything that looks suspicious, contact the Festival Manager or your Supervisor / Manager immediately so they may evaluate the situation. In the meantime, clear the area and calmly ask people to leave the area. Do not be concerned with vehicles, objects or equipment. Remain calm and do not panic.
- **Designated Areas** - Designated areas should be far enough away to ensure safety of everyone while providing access to the area for emergency personnel. The San Diego Police or Fire Departments may decide this. Follow their instructions, provide support, and crowd control as necessary.
- **Emergency Vehicles** - Keep a fire lane open at all times. If someone or something is blocking an emergency fire lane, ask them to move immediately. Once emergency vehicles are on site, initiate crowd control and assist in any way you can. Follow the instructions of the public safety personnel.

No Radio Codes

San Diego Pride will **NOT** use radio codes but will instead use plain speak language to communicate via the radios.

PLAIN LANGUAGE

Communication that can be understood by the intended audience and meets the purpose of the communicator. Plain language is designed to eliminate the use of codes and acronyms, and replace codes with plain language terminology that can be easily understood by all radio users.

REPORTING AN EMERGENCY

San Diego Pride has established the following radio procedures to facilitate communications during the Festival and Parade. Emergencies are to be reported to Dispatch, the Parade Manager / Assistant Parade Managers, Festival Manager, Assistant Festival Managers and Pride Staff.

Only the Parade Manager / Assistant Parade Managers, Festival Manager / Assistant Festival Managers and Pride Staff may direct Dispatch to issue a radio emergency. If a radio emergency is issued, all Pride personnel with radios should stay off the radio and be prepared to render assistance as directed.

The following are specific radio situations that may be used in case of a specific emergency:

LOST CHILD

If a parent or guardian approaches, a Pride volunteer and says, their child is lost, do your best to **QUICKLY** research and validate the situation. Upon confirmation of a lost child, report the situation and child description / information to Dispatch, who will issue the LOST CHILD radio call, along with a description of the lost child.

When a LOST CHILD call is issued, both festival entrances will be closed until the child is found. All available Pride personnel will assist in the search for the lost child. The Pride Information Booth at crossroads intersection will serve as command search central. Dispatch will notify the Festival Manager and Pride Staff.

IN THE CASE OF A MEDICAL EMERGENCY

In the case of a medical **emergency**, contact Dispatch with detailed / specific information on the situation and location. Dispatch will contact Medical and Festival / Parade Manager.

IN THE CASE OF NON VIOLENT / SAFETY SITUATION

In the case of a **non-violent safety** situation (equipment collapse / perimeter fence collapse), contact Dispatch with detailed / specific information on the situation and location. Dispatch will contact the specific area manager and Festival / Parade Manager.

IN THE CASE OF A VIOLENT SITUATION

In the case of a **violent situation**, contact Dispatch with detailed information and location about the situation in progress. Dispatch will notify the proper authorities. If necessary and possible, evacuate the area.

At all times, Pride personnel will follow the lead and direction of public safety personnel.

Important Note: The radios are not intended for idle chat or casual discussion. The radios are a critical tool to assist communication in emergencies. They are not to be used for casual conversation or to discuss irrelevant topics, particularly on the main channels.

Be aware of what channel you are on at all times. Keep your department radio chatter on the appropriate channels. Stay aware. Do not use foul language on the radio—the FCC can and will fine Pride for broadcasting obscenities over public airwaves.

Zero Tolerance

San Diego Pride is committed to providing a safe environment for its staff, volunteers, partners, and participants and to preventing abusive conduct in any form. Every staff and volunteer is responsible for protecting this safe environment while involved in sponsored activities.

Abuse of any kind is not allowed at any San Diego Pride program or activity. This means we do not tolerate physical, sexual, emotional or verbal abuse or misconduct of any kind.

San Diego Pride has established the following guidelines of behavior and procedures for staff and volunteers to accomplish a safe environment. All staff and volunteers are expected to follow these guidelines:

- Emotional and verbal abuse are also prohibited. These include, but are not limited to such forms of abuse as: yelling, insulting, threatening, mocking, demeaning behavior or making abusive statements in regard to a person's race, gender, religion, nationality, ethnicity, sex or age.
- No staff or volunteer should be in possession of dangerous weapons, instrument or substance that is used for, or is readily capable of, causing death or serious bodily injury or destruction to property. These include guns, knives, clubs, chemicals and explosive devices.
- All staff and volunteers who believe they have been subjected to or have witnessed any harassing conduct should report the matter promptly to a person in their supervisory chain.
- In instances of alleged harassing conduct, San Diego Pride will investigate and take every step to ensure a fair and prompt resolution.

Grievances

San Diego Pride wants all volunteers to have safe, enjoyable, and rewarding experiences while volunteering for our organization! If you feel you have been mistreated or adversely affected by the misinterpretation or misapplication of an organizational policy, you should report the matter directly to the Volunteer Manager and complete a **Grievance Form** located at the back of this handbook. The Volunteer Manager will investigate to determine whether a valid grievance exists and attempt to resolve the issue among the parties involved. This may result in such steps as probationary contracts for future event participation or permanent dismissal of a volunteer. All grievances will be responded to in writing within 10 business days of submission.

Whistleblower

Reporting Responsibility

This policy is intended to encourage and enable volunteers and others to raise serious concerns internally so that San Diego Pride can address and correct inappropriate conduct and actions. It is the responsibility of all board members, officers, employees and volunteers to report concerns about violations of San Diego

Pride's code of ethics or suspected violations of law or regulations that govern San Diego Pride's operations. You may report your concerns via email to volunteer@sdpride.org.

No Retaliation

It is contrary to the values of San Diego Pride for anyone to retaliate against any volunteer who in good faith reports an ethics violation, or a suspected violation of law, such as a complaint of discrimination or suspected fraud, theft, or suspected violation of any regulation governing the operations of San Diego Pride. An employee or volunteer who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment or volunteer duties.

Reporting Procedure

San Diego Pride has an open door policy and suggests that volunteers share their questions, concerns, suggestions or complaints with the Volunteer Manager or Director of Operations. All concerns and complaints should be submitted in writing. The whistleblower is not responsible for investigating the activity or for determining fault or corrective measures; appropriate management officials are charged with these responsibilities. Reports of violations or suspected violations will be kept confidential to the extent possible, with the understanding that confidentiality may not be maintained where identification is required by law, or in order to enable SD Pride or law enforcement to conduct an adequate investigation.

Volunteer Separation / Dismissal

Separation

If a volunteer chooses to separate themselves from future San Diego Pride volunteer duties, the volunteer should notify their manager or the Volunteer Manager. San Diego Pride encourages and welcomes feedback from volunteers who resign from or choose not to return for future volunteer activities.

Dismissal

San Diego Pride reserves the right to dismiss any volunteer who fails to follow the policies and procedures outlined in this handbook. A volunteer may be dismissed temporarily or permanently, based upon circumstances. A volunteer who is permanently dismissed from their duties may NOT volunteer for any future San Diego Pride-sponsored events. In such cases, the Volunteer Manager will provide official notice of the volunteer's dismissal.

Social Media / Technology / Confidentiality

San Diego Pride is committed to protecting the personal information of its staff and volunteers. Any volunteer with a San Diego Pride email address must sign a confidentiality agreement in order to have access to the organization's email system. Any unauthorized posting of SD Pride information on a volunteer's personal social media outlets will be prosecuted.

Motorized Vehicles / Golf Carts

When checking out a vehicle or golf cart, a volunteer must:

1. Have their name listed on the authorized cart drivers list
2. Present their current / valid driver's license
3. Complete the vehicle / golf cart check-out form

Possession and use of a golf cart during the parade or festival is a privilege. Anyone driving a golf cart during the parade or festival must adhere to the cart policies at all times or their cart privilege will be revoked. During festival hours, volunteers are NOT allowed to drive the golf cart on the road unless there is a medical emergency. Please see Appendix.

Any volunteer driving any motorized (non-cart) vehicle in the possession of San Diego Pride must submit a copy of their DMV driving record showing a clean driving record. Any volunteer driving a motorized cart in the possession of San Diego Pride must have a current / valid driver's license.

Money Handling

All volunteers handling cash and credit cards are required to pass a background check, have cash handling experience and are expected to operate with integrity and care. Should a volunteer be found mishandling funds or stealing money, they will be dismissed from all volunteer capacities and ineligible to return as Pride volunteer in the future.
