Since its humble beginning as a march for equal rights in 1974, San Diego Pride has grown into a vital nonprofit organization that functions as the education, advocacy, arts and culture axis for Southern California's LGBTQ community. As one of San Diego's oldest LGBTQ-serving organizations in Southern California, San Diego Pride provides over **30 distinct free programs and events annually** to benefit LGBTQ San Diegans throughout the year including the Youth Leadership Academy, Latinx Coalition, QAPIMEDA (Queer Asian, Pacific Islander, Desi, Middle Eastern, Americans) Coalition, She Fest, Art of Pride, LGBTQIA Survivor's Task Force, Devout, Vote With Pride and so many more!

Our annual Pride Parade & Festival is one of the **largest civic events in the region** and is among the **largest Pride celebrations in the United States**. The weekend-long event brings together over **300,000 people** and **over \$27 million in positive economic impact** to San Diego!

Fostering pride, equality, and respect for all lesbian, gay, bisexual, and transgender communities, locally, nationally, and globally.

Our Vision

A world free of prejudice and bias.

Our Values

- **Diversity** – being inclusive, accepting, and respectful of the differences of people who share our values.

- **Accountability** – being responsible for the effects and consequences of our words and action.

San Diego Pride Parade History

San Diego's Pride Parade finds its roots in the original march held in June of 1974, when a four-hundred-person march/rally was held in Balboa Park.

The parade has seen history change and in turn has changed with history. After the rains poured down on the parade in 1990, it was decided the parade would no longer be held in June, but late July. In 1979, the parade was moved from Sunday to Saturday and in 2003 the parade had grown so large that its start time was moved up to 11 am.

In 2009, we celebrated the 40th Anniversary of the Stonewall Riots through our parade and in 2012 we celebrated the repeal of "Don't Ask, Don't Tell" with the first active-duty military contingent marching in uniform, thus capturing the local, national, and global media spotlight. In 2014, we celebrated the 40th Anniversary of the San Diego Pride Parade. Despite the rain in 2015, our community remained strong and made the best of the situation by dancing, cheering, and celebrating many milestones, including Pride naming the transgender community as the Grand Marshal and the first youth marching band comprised of junior high and high school students from around the Southern California Region.

In 2019, to accommodate the even larger number of parade contingents, the parade was moved up to 10:00 am and San Diego Pride became the first Pride in the world to have a military jet formation fly over the parade route. Due to COVID-19, the 2020 and 2021 parades were moved from an in-person live event to an online virtual parade.

In 2022, the Pride Parade was back, and San Diego Pride was the first Pride in the continental United States to welcome the Marine Corps Marching Band to the pride parade.

This year, we are very excited that you will be joining the parade as we celebrate 50 years since the first march in San Diego.

COMMITMENT TO SUSTAINABILITY IN 2024

GOAL:

- Go above reduce, reuse, and recycle and reevaluate our decisions
- Reduce consumption at the source by moderating event materials
- Adopt voluntary environmental requirements

Parade Contingent

While planning your organization's parade contingent, be mindful of the environmental impact of the materials you are using and distributing. Think about the material(s) you are handing out along the parade route and how you can make them eco-friendly.

Promotional Material (Swag)

Swag is informational/promotional items parade contingents distribute along the parade route to spectators. Historically, swag has included plastic beads, rainbow flags, stickers, fans, and promotional materials such as flyers, post cards, and pamphlets, etc.

San Diego Pride discourages plastic beads and other small plastic swag items as these plastic products have been shown to cause serious harm to marine ecosystems and have clogged San Diego street drains.

San Diego Pride discourages paper fans and paper product informational / promotional items as these paper items have been traditionally thrown on the ground along the parade route and end up in the landfill.

Vehicles

Floats and vehicles should be decorated to reflect this year's theme in an acceptable and tasteful manner. Party buses, trucks, semi-trailers, and RVs do not add to the parade viewing experience and spew pollutants.

Transportation:

Parade contingent participants are encouraged to rideshare to the free Pride parking area (Old Naval Hospital parking lots) at Park Boulevard and Presidents Way (sdpride.org/parking) and then take the FREE Pride Shuttle to the Parade. Reducing car trips will help reduce the event's carbon footprint.

PARADE CONTINGENT RULES AND REGULATIONS

San Diego Pride strives to be a fun and safe family-friendly event. We therefore require all contingents in the parade to adhere to the following rules:

Parade Theme: San Diego LGBT Pride (SD Pride) encourages all participating contingents to reflect this year's theme in an acceptable and tasteful manner. **The 2024 theme is Making History Now.**

Forward Motion: All contingents are required to maintain a continuous forward motion during the parade. No stopping unless directed by SD Pride staff. All performances or maneuvers must be "on the move." NO GAPS between parade units of more than 30 feet.

Emergency Traffic Lane: Police and Fire Department traffic lanes must be kept open at all times. The law forbids parking vehicles, decorating units, practicing routines, and/or forming walking groups in these lanes.

Throwing from Your Contingent: Parade participants may not throw any item into the crowds. This means you may not throw items from your unit, float, or auto. Items may be handed out. **NOTE: A penalty of \$150 for each infraction will be levied. If your entry is pulled from the parade; entry fees will not be refunded or returned.**

Contingent Monitor: **ALL** contingents are required to supply at least one monitor for every 25 participants to assist SD Pride officials while the parade is in progress. Any contingent without a monitor will not be able to participate. Their role is to 1) assist in safety, specifically keeping the area in front of vehicles clear of pedestrians; 2) assist in the movement and pacing of the parade.

Nudity and Obscenity: Nudity and obscenity are not permitted as defined by California State Code, title 17.04.480 and San Diego ordinance SDMC 56.53(c). Violators may be subject to citation or arrest by the San Diego Police Department.

Solicitation: Contingents are not allowed to solicit money along the parade route.

Signs & Banners: In order to better facilitate parade announcements and TV coverage, a sign or banner providing the name of the organization/business must precede each contingent participating in the parade or the contingent shall have the name prominently displayed on their vehicle. Contingent number must be attached to your banner or vehicle window or carried by your designated parade liaison, whichever is most visible to announcers and video cameras. Contingent numbers should be posted on the upper left of the banner or on the front passenger window for a vehicle.

Animal Contingents: All animals must be on a leash and attended at all times. Each contingent with animals must provide clean-up for all waste created by the animals. Waste cannot be left on streets. Violators will be immediately removed from the staging, parade, or dispersal area and assessed a \$150 clean-up fee. All animals are subject to monitoring by San Diego Humane Society and ASPCA. Please ensure you have water for all animals and footpads are encouraged for your dogs.

Vehicle Breakdown: Towing charges for any contingent vehicle that becomes disabled and / or delays the Parade will be at the contingent's expense.

Hold Harmless / Indemnity: All contingents are responsible for any and all acts and / or omissions on their part, or on the part of their agents, marchers, volunteers, and / or employees that may result in injury or damage to themselves, their agents, marchers, volunteers, and / or employees or to third parties. Contingents specifically agree to indemnify and to hold San Diego LGBT Pride and the City of San Diego its agents, volunteers, and employees free and harmless and to defend it from any and all claims arising out of such acts or omissions.

Insurance & Driver's License: Each contingent vehicle that enters the parade line up area and / or participates in the parade must have liability insurance and the driver must have a valid driver's license, proof of which must be submitted when registering for the parade.

Removal of Participants: San Diego Pride reserves the right to remove any contingent and / or person(s) from the pre-parade staging area or parade that, in Pride's opinion is disruptive, offensive, a hindrance to the progress of the parade, places other participants in danger, or violates any regulation of this application.

Safety Meeting: All Parade contingents are required to send at least one representative to one of the Parade Safety Meetings.

Third Party Businesses: Contingents and floats cannot be sponsored by or display logos or trademarks from third party businesses or organizations without the advance express written permission of San Diego Pride. Such permission, if granted, will include additional fees and conditions and must take place prior to June 1, 2024. Please contact Sarafina Scapicchio at sarafina@sdpride.org for more information. Contingents found in violation of this rule will be invoiced by Pride for the full amount of a second contingent and the late entry fee.

Marching Together and Third Party Reassignment: No contingent is allowed to participate as one or as part of another contingent without advance pre-parade registration and approval from San Diego Pride. Any contingent "crashing" the parade will be removed immediately. Groups desiring to march with other groups must state that in the "Special Requests" field of the application or via writing. All placement requests must be made mutually and are subject to placement based on the lowest possible protocol or prioritization. No parade entry may be reassigned to a third party without express written approval of San Diego Pride.

Drugs & Alcohol: It is illegal to possess or consume alcohol or drugs while participating on City of San Diego streets, ordinance SDMC 56.54(a). Any illegal behaviors and / or violations of the law will not be tolerated in the SD Pride Parade staging, route, and dispersal area. You will be responsible for any fines, fees, arrests, injury, or imprisonment that may occur if you break these or any other laws. In addition, violations will be immediate cause for dismissal from the parade. Please discourage your participants from consuming any alcohol or drugs prior to or during the parade

Refund / Cancellation Policy: Your parade contingent fee is NON-REFUNDABLE unless cancellation, IN WRITING, is received by San Diego Pride before 5:00 pm on June 14, 2024. There is a \$100 refund / cancellation fee for contingents that paid over \$350.00. For contingents that paid \$350.00 or less, 25% of the amount you paid will be assessed.
